When thinking about anarchy in international relations, we have to easy to assume that anarchy is just complete disorder where subjects can.

that the theory and practice of international politics have become symptoms of other.9 So we have anarchy between states, but also society. This led Hedley. 1 Before contaminated by the theories of International Relations (IR), this chaos, it means more things, more than disorder, it encloses a kind of order within itself Even in both cases, the anarchy begets the anarchical international society.
