

Learn how to open up a Customer Service Counter for your significant other!(TM) Are you successful in your work relationships, but you struggle to have a happy, low-conflict romantic relationship? When your significant other makes a complaint, do you know how to react and vice versa? Do you stay calm when resolving a consumer or business dispute, but become disagreeable and angry when trying to resolve a problem with your significant other? Do you have the right service attitudes to have a successful, drama-free romantic relationship? Profitable businesses teach attitudes and skills to effectively handle consumer complaints. In this book, youâ€™ll learn how successful romantic partners have attitudes and skills that repair relationship complaints and problems. Relationship Repair for Couples will teach you how to effectively resolve conflict using a proven business customer service model. When couples apply these simple principles, they are addressing and fixing a primary predictor for relationship failure: unresolved complaints!
