

Amazon bestselling author Sherry Ewing presents the continuing saga of Katherine and Riorden de Deveraux from *For All of Ever* in: *Only for You*. Sometimes it's hard to remember that true love conquers all only after the battle is over! Katherine de Deveraux has it all or so she believes when she begins her life with her husband Riorden. But as she begins to settle into her duties as the Countess of Warkworth Castle, she finds that an easy life is not only difficult but downright dangerous to her well-being. Consumed with the haunting memories of his father, Riorden must deal with his sire's widow who just happens to also be his ex-lover. Yet how could he know just how far Marguerite is willing to go in order to have the life she feels they were truly meant to live? Torn apart by circumstances neither Katherine nor Riorden could ever imagine, Time becomes their true enemy even while Marguerite continues her ploy to keep Riorden at her side. With all hope lost, will Katherine and Riorden find a way to save their marriage and have their happily ever after ending, or will Katherine be whisked back to where Time truly feels she belongs? Don't miss Sherry Ewing's debut novel, *If My Heart Could See You*, a medieval romance. It's the novel that began her series and where Riorden de Deveraux makes his first appearance as Captain of the guard! Also available is *A Knight To Call My Own* with Lynet of Clan MacLaren from *If My Heart Could See You*.
