

A group of friends gather at a local bar for a birthday celebration, but when a stranger, with a briefcase handcuffed to his wrist, enters the bar and begins to stare at the group, they begin to relate their darkest secrets, wondering which one of them, the stranger has come to kill. Today is JOSHUA's (20's) birthday and a celebration has been planned at the bar, where he works part-time. Joshua is a budding writer, trying to finish his first screenplay, a Thriller. SARAH (20's), a close friend arrives at Joshua's house and offers to give him his birthday present: Her. Joshua is shocked, as their relationship has been platonic and Sarah is actually married, but Joshua has always had a secret crush on Sarah. As they begin to become romantic, Joshua receives a phone call from his boss, ERNIE (50's), at the bar, with an urgent request for Joshua to come in early. While Joshua tries to stall Ernie, Sarah loses her patient and leaves. As Sarah leaves, she calls her husband, ZACK (20's), who is having an affair with EMILEE (20's). At the same time, SERGIO (50's) is having a briefcase handcuffed to his hand, in an office, where several other briefcases also come into view. At the bar, Ernie ends a telephone call and declares that he's dead, because he owes money to the mob, but can't pay. He's also facing an audit and possible criminal investigation by the IRS. JUNIOR (20's) is identified as conducting a small drug deal, with JORGE (30's), who advises Junior that if he doesn't have ALL of the money by tomorrow, nephew or not, Jorge is going to kill him. MELISSA (20's) is revealed to be a drug addict and Junior's girlfriend. Melissa is also the daughter of a prominent U.S. Senator. MEGAN (20's) is identified as Melissa's roommate, with Megan having just caught Melissa doing drugs. After leaving Junior, Jorge meets CAITLIN (20's), who tries to bum some money from him. Caitlin is pulling a small suitcase and it is revealed that she just ran away from home, but RICHARD (20's) and KENNY (40's) become identified as Police detectives, who are at Caitlin's house, investigating a murder of Caitlin's parents. CARMINE (40's) and ANTHONY (30's) become identified as mobsters, who are trying to track down Sergio and whatever it is that's inside the briefcase. Finally, Joshua, Sarah, Junior, Melissa, Megan, Ernie, Emilee, and Zack arrive at the bar and begin to celebrate Joshua's birthday. As the party gets started, Sergio enters the bar and sits down at a back table, where he just stares at the group. The group begins to theorize who Sergio is and what he wants. Each person begins to tell lies, in order to prove that they have nothing to hide, but it becomes apparent that they all have dark, hidden secrets, which could be why Sergio has arrived. Suddenly, Carmine and Anthony arrive, see Sergio and an intense gun battle erupts, with Sergio, Carmine, and Anthony being killed. As the group looks at the dead bodies, they look at the briefcase, with each person desiring to open the briefcase, but fear prevents them. As Joshua starts to open the briefcase... **WARNING: THIS BOOK CONTAINS GRAPHIC VIOLENCE, PROFANITY, AND SEXUAL SITUATIONS. NOT RECOMMENDED FOR YOUNG ADULTS.**
